STARTING GOBLINS

Odds are the chance of being assigned each goblin when you join. The first three are 20% each.

#	GOBLIN	ODDS %	SIZE X	SPEED X	HP BONUS	REACH +M	PERK	WHAT IT DOES
1	Small Goblin	20	0.75	1.12	0	0	Quick	The fastest of the common goblins.
2	Goblin	20	1	1	0	0	Steady	No weakness, no tricks: a club and a vest.
3	Big Goblin	20	1.3	0.9	0	0	Heavy	Starts in a warlord harness. Slow, and a big target.
4	Goblin Wizard	4.5	1.1	1	0	0	Staff bolt	Starts with a staff that throws bolts. The most knowledge.
5	GOBLIN KING	1	1.2	0.95	0	0	Royal	Royal gear, but rivals see your crown through the walls.
6	Goblin Scout	11.2	0.9	1.04	22	0	Nimble	1 in 8 melee blows against you miss.
7	Goblin Sneak	8.2	0.88	1.06	-4	0	Backstab	+50% damage when you hit a goblin from behind.
8	Goblin Miner	6.1	0.92	0.94	-12	0	Prospector	Starts with 40 more gold and a pouch of metal, wood and a gem.
9	Goblin Shaman	3.3	1	1	-4	0	Mending	Heals twice as often, and starts healing sooner after a hit.
10	Goblin Berserker	2.5	1.15	1.03	-12	0	Rage	+35% damage while below half health.
11	Bog Goblin	1.8	0.95	0.96	0	0	Thick hide	Takes 15% less damage from everything.

CONSUMABLES, THROWABLES AND CHARMS

ITEM	TYPE	TIER	PRICE	EFFECT
Goblin Plushie	consumable	common	15	Press its quick key to throw it. It squeaks, and bots within 8 m run to it for 3 s. One use.
Healing Draught	consumable	uncommon	30	Brewed from elixir. Heals 30 HP at once. Useless in sudden death.

ITEM	TYPE	TIER	PRICE	EFFECT
Bandage	consumable	common	20	Heals 12 HP at once. Useless in sudden death.
Healing Mushroom	consumable	common	25	Heals 2 HP a second for 8 s. A hit ends it. Useless in sudden death.
Speed Tonic	consumable	uncommon	35	25% faster for 8 s.
Smoke Bomb	consumable	uncommon	30	Thrown. For 6 s nobody can see or shoot into the cloud from beyond 2.5 m.
Powder Bomb	consumable	rare	55	Thrown. Blows up after 1 s: 22 damage close, half at the edge of 2.5 m. Spares the thrower.
Door Wedge	consumable	uncommon	30	Use beside an open door (not the Vault): it stays open one more round.
Sealing Wax	consumable	common	20	Use at your room's panel: its pick is sealed for the rest of the round.
Vault Lockpick	consumable	mythic	90	Use in a room whose pick is a Vault door: it counts as a second vote this round.
Bear Trap	consumable	uncommon	40	Set it down. After 1.5 s the first other goblin to step on it takes 14 damage and is slowed for 2.5 s. Two at a time.
Signal Flare	consumable	uncommon	30	Burns for 8 s. Every goblin in the match shows on your minimap while it does.
Panel Lens	consumable	rare	50	For 12 s your minimap shows the door every room has picked right now.
Crowbar	consumable	rare	55	Use beside a closed door (not the Vault): it is pried open for 10 s.
Ward Rune	consumable	rare	60	Soaks up the next hit you take, whatever it is. Fades after 30 s.
Brain Jar	consumable	rare	80	A pickled brain. Eat it for +4 knowledge.
Mimic Bait	consumable	uncommon	35	Leaves a fake loot pile at your feet. The first other goblin to take from it is bitten for 16 damage.
Dazzle Powder	consumable	uncommon	30	A flash of light: goblins within 4.5 m cannot attack for 2 s, and bots there cannot see.
Haggler's Tag	consumable	uncommon	25	Your next purchase from a merchant costs half.
Rage Brew	consumable	rare	45	You hit 30% harder for 10 s (damage bonuses never stack past +50%).
Homing Feather	consumable	uncommon	40	After 2.5 s you are back in the room you started in. Any hit breaks the spell.
Alarm Bell	consumable	uncommon	30	Set it down. When another goblin comes within 3 m you hear it, wherever you are, and see them on your minimap for 5 s. Two at a time.
Heart Charm	charm	uncommon	45	Wear it: +10 maximum health.
Swift Idol	charm	uncommon	50	Wear it: you move 6% faster.
Gold Magnet	charm	rare	55	Wear it: bounties, round income and gold prizes pay 25% more.
Scholar's Charm	charm	rare	60	Wear it: brains and Brain Jars give 50% more knowledge.
Silver Tongue	charm	rare	50	Wear it: bribes at a door panel cost 30% less.
Wolf Fang	charm	uncommon	45	Wear it: you hit 8% harder.
Iron Wedge	consumable	rare		Falls from the Ram when a vault door cracks. At the Locksmith grindstone it makes a free Key Blank and sets the first pin.
Skeleton Key	consumable	rare		Cut at the Locksmith. Robs the Counting House strongbox in 1.5 s, silently.
Gold Leaf	consumable	rare		From a Counting House robbery. Offered at the Keystone altar it lights the next 2 stones of the circuit.
Rune Charge	consumable	rare		From a full Keystone circuit. Spent at the Ram lever, the next strike does double breach.
Key Blank	consumable	uncommon		Ground at the Locksmith. Cut it at the lock face once all 5 pins are set.
Crown Seal	consumable	mythic		Sudden death only. Use it standing on the vault dais: +5 s of crown claim.
Husk Brain	consumable	common		Press it at the Brain Press for +4 knowledge, or eat it anywhere for +2.
Spring Water	consumable	common		Bottled at the Healing Spring. Heals 20 HP. Useless in sudden death.
Blessed Water	consumable	uncommon		Bottled at the Healing Spring with elixir. Heals 40 HP. Useless in sudden death.

ITEM	TYPE	TIER	PRICE	EFFECT
Scion	consumable	uncommon		Cut from the Grafting Bench tree. Graft it onto a weapon or armour in the vise for its reforged twin.

KNOWLEDGE

You earn 1 knowledge point per 20 knowledge, plus 1 per brain eaten. Perks are lost on death. Every weapon and armour can be reforged once into a "+" twin with about +20% stat.

BRANCH	RANK	PERK	POINTS	EFFECT
craft	1	Thrifty Hands	1	Recipes cost 1 less of every material they need 2 or more of.
craft	2	Scrapper	2	The recycler gives you +1 of every material.
craft	3	Reforge	3	At the bench, reforge a weapon or armour once: +20% attack or health.
lore	1	Appraiser	1	Facility maps show what waits in every outer room.
lore	2	Eavesdropper	2	Facility maps show the doors every room is picking right now.
lore	3	Head Count	3	Facility maps count the goblins in every room and name the Vault relic.
guts	1	Field Medic	1	Healing items heal 50% more.
guts	2	Brain Gourmet	2	Eating a brain also heals 25 HP (not in sudden death).
guts	3	Second Wind	3	Once per match, a killing blow leaves you at 1 HP instead.

TREE ROOMS (INNER CORNERS)

Four of the ten are rolled per match with no duplicates. Knowledge from tree rooms is capped per round and per match.

ROOM	SPAWN WEIGHT %	KNOWLEDGE/MIN	WHAT YOU DO THERE
Sapling Well	22	15	4 drinks per round at 3 knowledge; the pool refills 1 per 12 s; fruit +12 shared
Brain Press	16	10	about 2.5 husks a minute, 4 knowledge per pressed husk brain; goblin brains exempt
Healing Spring	14		heal 2 HP/s for a lone, unhurt goblin; 3 bottles per goblin per round
Seer's Tree	12	6	3 solves per goblin per round; 2 pay +3 knowledge; the rest is intel
Grafting Bench	10		up to 2 grafts per goblin per round; a reforged twin of a weapon or armour
Thorn Shrine	8	15	5 knowledge per drop in the bowl (max 3), blessings for HP
Gambler's Root	7		item tier +1 at 70/55/40/25/15 percent; 4 feeds per goblin per round; the hoard pays a guaranteed tier 3+
Memory Tree	5	15	5 knowledge (+1 per step above 3) per success, 3 successes per goblin per round; Remembrance once per match
Hollow Oak	4	12	2 knowledge per whisper every 8 s, 6 per round, only while looking around
Elder Tree	2		a waking pays 25 / 12 / 6 knowledge (exempt from the tree cap) plus an item to the first goblin at the seed; 3 wakings per match

VAULTBREAKER ROOMS AND THE VAULT

ROOM	TOKEN IT MAKES	IDEA
Ram (siege)	Door Wedge	A two-player winch swings a ram at the vault door. Defenders place barricades in its lane. Door damage persists between rounds.
Locksmith (stealth)	Skeleton Key	Five pins set with timing presses. Noise summons Vault Wardens.
Counting House (economy)	Gold Leaf	A vote market with counter-votes and a strongbox you can rob.
Keystone (ritual)	Rune Charge	Keep an ordered circuit of flames lit until the round ends.

SETTING	VALUE
